

Abbe Anson vonHenner

April 21, 1954 - June 9, 2020

Abbe Anson vonHenner, 66, died June 9th, 2020 in Knoxville, Tennessee. Mr. vonHenner was born April 21, 1954 in Fort Worth, Texas and was adopted as an infant by Charles and Allene vonHenner. When Abbe was a toddler the family moved to Santa Anna, Texas where Abbe spent his younger years on their ranch riding horses, and caring for various animals which he fondly remembered and spoke about all his life. Something interesting that occurred in young Abbe's life in Santa Anna was his father was profiled in Life Magazine and Abbe was in a lot of the photos as he was at the time their only child. As an adult Mr. von Henner served in 2 branches of the military the navy being the last. He was always proud to have served his country. As a child Abbe loved model cars and was adept at putting even the most complicated models together and enjoyed displaying them, this turned into a true love of all things cars as an adult and he loved going to car shows and looking at them online, he enjoyed sharing his knowledge of cars with anyone within ear shot as well. He also loved to travel, and was fascinated by airplanes. Although Mr. vonHenner lived in many places his love of Texas was never replaced in his heart, he considered himself a true Texan through and through. Mr. vonHenner is survived by two daughters Shelby and Kelsea, his loving companion of many years Claudia Eaton, and his three siblings Chan (Rosalie) vonHenner, Barron Henner, and Vondeane (Paul) Kimball.
