“ I have known Bev since we were 18 meeting in college. I have never and will never again have another friend who cared for my well being as Bev did for me. We laughed and cried thur 40 years of lifes ups and downs.
Bev and I talked a lot. In the last two years we logged many hours. She so loved David, telling me she could not want for more. She loved her brother and sister, and her neices.
I know her family will miss Bev, but man so will I. My heart will forever be saddened that
Bev has left before me. Bev was always on my team... I hope I was as good of friend to Bev as she was to me. I know you are listening to me Bev...call me from Heaven, I promise not to tell...

“ David,
While I never met you in person, I had heard so many great stories about you through the years. I had known Bev through Ft. Sanders where I have been her UA rep for almost 9 years. We have laughed and shared so many stories about the ups and downs of life. My "Menny" as she would always call me. She counseled me all too many times about being happy in life and finally this year when I got married, a few short months ago, she was so happy and we shared a good "finally" together. She was a fighter like no other and while this may have taken her physicalness I know her soul is shining down still guiding all those that she loved and cared for. I'm so sorry for the loss of her to you and your family....

For "My Bev", I've light a candle for you and I'm so sorry that you are gone from this earth but I know you are finally released. All my love, "your menny"

“ I am sad to learn of Beverly's passing. I had the pleasure of getting to know Beverly over the 6 years I worked at Chico's. Beverly loved fashion, and was a frequent guest in our store. She was always a pleasure to talk to and such a compassionate soul! Regardless of what was going on in her life, she always cared and asked about me and my family. We have lost a treasure. Rest well, Beverly!

“ During Bev's fight against cancer, she came to visit me and my co-workers in our office. With her true to form positive attitude and strong conviction, she wanted to pray. So Bev, who grew up in the Jewish faith, Jessica, a Baptist, Kate, a Catholic, and I, a Methodist, all held hands while Jessica prayed for her healing, and strength and peace. It was a beautiful moment of friendship, love, and pure faith that I will cherish as we mourn this amazing woman. One thing that I know for sure is that she fought the good fight and is now at peace.
