“ Erik, you have the kindest soul I have ever known. I am grateful to have been loved by you. Your example has taught me to be a nicer person. I will miss you my sweet handsome man.

“ Erik, you are such a gentle, humble soul. We here at work miss your presence everyday. You never lost your patience or ever raised your voice the whole time I worked beside you for over a year. Such a lovely man. Please forgive us for not attending the service, there was a miscommunication in the dates. We will forever hold you in our hearts and look forward to seeing you again. Until then we love and miss you, but we know your with The Father now and having a blast! Patricia Haun and coworkers of CVS Caremark

“ My sweet Erik, you left us too soon, but the good lord knows what he is doing. He wrapped his arms around you, and took you to your heavenly home. I can't express enough how much joy you shared with others during your lifetime. You were/are so loved, and you are going to be missed beyond words. God blessed our family on the day you were born. I love you so very much. A piece of my heart is gone now, and I will never stop missing you. I will always be your "sissy". Love you so very much... Sissy Sharon.

“ Brenda, Ben, Sharon and family... I was deeply saddened to read of Erik's passing. Spent many years watching him grow into a wonderful, young man. I remember how he loved music and his family. Will always remember his kindness, caring and calm demeanor. He was a gentle soul. I will always remember him so fondly. Prayers for you all.

“ So sorry to hear of Erik’s passing. He and I spend many a morning and afternoon together walking to and from school. From grammar school through high school. I remember he talked me into taking Algebra 2 with him. Could have shot him for that. Roughest year of school for me. He encouraged me the whole year and would help me understand the work. We hadn’t seen each other in years, but I often think of our times together. Prayers for the whole Family.

“ I was Erik’s Neighbor for since 1987. We talked a lot during that time. He was such a Gooder friend. He went to Church with us one Sunday I was so happy. I talked to him 4 days before he passed we were discussing getting our yards cut for the season. I will miss him so much!!Praying for the family.
