“ It is hard for me to put into words how special it was to have Mrs. Leinart as our neighbor on Ball Camp Pike many years ago. We had many walks in the field, and tea parties with kool-aid for the kiddies. She taught me so much about gardening and even more about life and faith! She and Mr. Leinart were much more than neighbors, even more than friends... they were family to us.

“ I worked many years with mrs. Leinart at west town. She befriended me after my mother died, and still remembered me years later when I went to receiving of friends for her husband. A truly sweet woman.

“ Jennie was bright, witty, and never at a loss for words. She brightened the lives of all those she met. Many of my favorite childhood memories were of spending a week at Jennie and Joe's house. This was a welcome reprieve from the tobacco patch and cornfield. Jennie took me to the movies and fed me like a king. Joe let me shoot his pistol and do about anything I wanted to do. Thanksgivings were special when they visited us at our home in Speedwell. We had a great time when we visited Jennie in Spokane for her 90TH birthday. We have lost a dear loved one, but we have gained a Guardian Angel.

Our Heartfelt Sympathy to Nancy, Phil and Families.
