

## Kathleen Anderson Arp

July 31, 2020

A little after 8:00 PM, on Friday, July 31, 2020, my mom, Kathleen Anderson Arp, went to meet dad at the well. This picture was taken in Junction City, Kansas in 1942. Dad was in the Army. At that time he was in the Cavalry , motorcycle. I want to believe that they are back at that well pumping water into dad's hat. They can then walk off together holding hands for eternity. Mom lived a full life. She helped fill the lives of others. She spent just shy of 98 years on this earth. Known as Mama Arp to all, she was indeed a mother to all. A woman of strong convictions, she taught us about family, love and faith. In her last years she demonstrated grace under difficult circumstances, and how to see the best in everything. An exceptional mother and grandmother, she will be missed by a multitude of family and friends through whom her legacy lives on. While sad, we are glad she has found her well-deserved rest. A celebration of her life will be held at a later date. Many thanks to Maple Court Memory Care for the dignity and love shown to Mama Arp. In lieu of flowers, please send any remembrances to Lincoln Park Baptist Church, 830 Chickamauga Avenue, Knoxville, TN 37917. “ While glancing through the obits I saw this picture of your Mom & Dad. Thank you for sharing that beautiful picture. They looked so happy. How Handsome your Dad looked in his uniform and boots. And your Mom perfectly dressed including those lovely heels with with open toe. My uncle and substitute Dad was injured in France on D-Day. I treasure the photos I have of him in his WW2 uniform.

I am sorry for the loss of your Mom. Loosing the people we love so dearly is a pain like no other. Now please take just a moment and think of the joy unspeakable and full of glory that was waiting for your Mom as she actually meets our maker and reunites with those she loved so dearly.

Sending love and Sympathy

“ Dan I remember meeting your mother at a tent party in your back yard some years back. I remember her as a smiling warm person and just a pleasure to be around. You go steady my friend.
